

## Plan for Action

**Our goal is to achieve 130,000 contributions from 130,000 different people of \$1.00 each as soon as possible. That qualifies me for the fall debates.** We can do this if 1,300 people can each get 100 people for \$1.00... alone or with a partner.

We are asking if each of you will endeavor to get 100 people to contribute \$1.00 each, alone or with a partner. **We have found it is easiest if you do this like a “petition drive,” asking each person for a cash contribution of \$1.00. Most people will just hand it to you “right there,” and then please have them print their name and address on the “Name/Address Sheet” (emails and phone number are optional).** Be sure to add your name and contact information on the top of each sheet. This will help us in case we have any questions on information provided. (Copies of the “Name/Address Sheet” can be printed from the home page of our website.)

**Too often, a promise to go online to contribute a dollar doesn’t happen, but if you need to provide someone how to go online to contribute, the website is [JoeSestak.com](http://JoeSestak.com) (and if you want to “share” the donation link with friends on Facebook or Twitter, the url is <https://secure.actblue.com/donate/debatejoe> ).**

You are to mail the cash you collect (you can choose to change it into larger denominations for safety in mailing, if desired) or write a check to "Joe Sestak for President" (and keep the cash\*) to our PO Box **along with the lists of names and addresses** (with your name and contact info on the top of each page):

Joe Sestak for President  
P.O. Box 17246  
Alexandria, VA 22302

We must receive the contributions and lists of who contributed as soon as possible.

There is a PDF of a brochure that is about Joe on the home page of the website to print out and use as appropriate.

Thank you so very much... we are more than grateful for your kind support. For any questions, email or call:
